

YELLOW RIBBON GOLF SCRAMBLE *for* VETERANS

PRESENTED BY BURNS & MCDONNELL TO BENEFIT SILVER BAY VETERANS HOME

The Silver Bay Veterans Home, dedicated to caring for our veterans, is a place of honor, respect and gratitude to those who have bravely served our nation. Its mission of "serving those who have served" is reflected in the quality healthcare it provides and the many events and activities it offers its residents. A dedicated staff of professionals is passionate about providing the personalized care that our veterans deserve.

Your support will help the Silver Bay Veterans Home continue to provide a comfortable, dignified and respectful environment for veterans. One of the facility's immediate needs is a new transit van to ensure reliable and safe transportation for medical appointments, community activities and regular recreational outings.
